IQAC Minutes of Meeting

The minutes of the 27th meeting of the IQAC held (over conference call) on 1/7/2020 at 12 noon are appended below:

Agenda 1: Students' attendance

Following the suspension of regular classes owing to COVID-19, it was found that students faced numerous challenges to adapt to the new scenario. Although virtual classes were being offered as a necessary substitute for classroom teaching, online classes proved to be largely ineffective with only a few participating students with smart phones and access to the internet. A low SES (socioeconomic status) compounded with a countrywide dip in employment further contributed to the existing challenges. Most students have very limited access to technology and struggled to adapt to the virtual mode of teaching-learning.

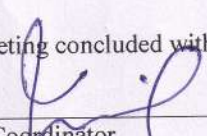

Agenda 2: Mentor-Mentee: Development plans

It was decided by the House that each faculty should pay special attention to their respective mentees/ protégé so as to help them adapt to the current challenges posed by the pandemic.

Agenda 3: Extension activities & outreach programs

It was decided that the NSS and the NCC units of the institution would be especially proactive in initiating appropriate awareness programs to help curb the spread of the Novel Corona virus in the community.

The meeting concluded with vote of thanks to the Chair.
